November 2018

## Letter from the Co-Presidents

By Gail and Lane

Dear Friends,

We're looking forward to seeing you all on November 11, 2:00, to hear about the current status of Title IX. We'll be meeting at the Cameron Station Clubhouse.

Special thanks to Danielle Beach, Cheryl Blum and Mary Ann Bier for agreeing to conduct our annual budget review. And to Arlene Shapiro (our branch historian), Gail Kalin, and Eugenia Burkes for forming an ad hoc history committee. We owe so much to the women who went before us and we want to lift up their names. Renee O'Brien and Sylvia Linke represented us on October 13 at Congressman Don Beyer's Annual Women's Conference at George Mason University. We partnered with the Arlington branch giving out ERA postcards and membership information.

We will be very active in 2019 lobbying for Virginia's ratification of the ERA. Please see the article further in the newsletter. And PLEASE consider being part of our team doing fun, one-and-done actions: like Pizza-postcard parties. Just let Elizabeth Hendrix know and she'll add you to the mailing list. (mhendrix1105@gmail.com)

Stay in touch!

Lane & Gail

**Bragging on Branches — AAUW National to Facilitate Two Work Smart Sessions at Virginia's Women's Conference**

AAUW National is thrilled to be facilitating two Work Smart sessions at the Virginia Women's Conference sponsored by U.S. Senator Mark Warner (D-Va.) on Saturday, November 17 at the Hotel Roanoke & Conference Center. The conference hosts about 800 women annually, and

---

this year AAUW will hold two Work Smart workshops that will reach about 200 - 400 women! The organizers were inspired to offer the sessions after learning about them through AAUW of

Virginia conference participants and recent press on the Work Smart initiatives in AAUW Boston and AAUW Massachusetts. AAUW National appreciates AAUW of Virginia's strong support and is engaged in ongoing conversations with the offices of both Senator Warner and Governor Ralph Northam (D) about building a state-wide initiative in Virginia. National efforts continue to engage partners to advance the reach of Work Smart.

# PUBLIC POLICY

## STOP HUMAN TRAFFICKING

### A CALL FOR VOLUNTEERS

The AAUW of Alexandria branch will utilize research, advocacy, and education to help human trafficking victims escape and find freedom from violence, which is one of AAUW of Virginia's public policy priorities.

Northern Virginia Human Trafficking Initiative (a local non-profit organization) reports that from January 2016 to February 2017, there were 536 total trafficking victims in Northern Virginia. However, only 322 of them were recovered. Of the 536, 94% were sex trafficking victims (Northern Virginia Human Trafficking Task Force, 2017).

There is an enormous need to help the human trafficking victims in Virginia. We need volunteers to help us:

- send strategic social media blasts,
- hold an annual conference,
- connect us with law enforcement officials and human trafficking nonprofit organizations as well as other AAUW of Virginia branches,
- lobby, and connect us with sponsors for a bold, new innovation we are developing through our research.

Please contact M. Elizabeth Hendrix or Gail Kalin if you are interested in leaving Virginia better than you found it and serving as an Everyday Hero! We really need you and so do the human trafficking victims.

## AAUW of Virginia Public Policy Issues: Ratification in Virginia of the **Equal Rights Amendment** October Update and Suggested Activities Moving Forward

Remember our Summer Leadership Meeting's theme "Harness the Energy"? We are doing it! There's a lot going on around the state and a lot more to do. The phrase brings to mind a mighty draft horse productively pulling a great load. But there is also a 2<sup>nd</sup> meaning of the verb "to harness," which is "to *bring under control and direct the force* of enormous energy" (*italics added*). As in, "If you can harness your energy, you will accomplish a great deal."

The energy level in AAUW is palpable, especially on our primary public policy issue - ratification of the ERA. Here's what is being done:

- Thank you letters (on letterhead) have been written to all Virginia legislators who supported the ERA bills in the 2018 Session. See the VARatifyERA attachment of "yeahs" and "nays."
- Letters urging legislators who were reluctant to support ERA bills are being drafted and will be sent by the end of this month.
- LTEs and OpEds by AAUW members, legislators, and others have been published and continue to appear. See this link to read them: <https://varatifyera.org/background/in-the-news/>. Write your own!
- An ERA Booklet - a colorful compilation of ERA history and facts and figures will soon be published and sent to you electronically. It is a great educational resource. Bound copies will be given to legislators.
- An AAUW Ratify ERA post card has been created for writing personal notes to our district representatives. A hard copy is attached, along with the link to download the template used to create them (front and back are on the template).
- AAUW has been working - along with LWV, VaNOW, WoMen Matter and other groups - with VARatifyERA on local events, screenings of films like *Iron Jawed Angels*, and other activities.
- Northern Virginia branches will be tabling at Congressman Don Byers' annual Women's Conference on October 13<sup>th</sup>. AAUW brochures and "Talking Points" will be available to attendees, along with Ratify ERA Post Cards to legislators and the link to the ERA Booklet.
- Virginia Beach and GRAAUW branches are assisting with a Legislative Symposium that will convene on the William and Mary Campus on Nov. 9<sup>th</sup>. The focus will be the ERA.

- The NW and SW District branches will be tabling at Mark Warner's Women's Conference in Roanoke on November 17<sup>th</sup>.

Two ratify ERA bills have been dropped in the Virginia Legislature: They are HJ 577 and HJ 579. Copies, with patron's names, are attached. Refer to these bills when writing post cards/letters or meeting with legislators and local officials. Here's the link to the patrons of these bills: <https://varatifyera.org/2019patrons/> Please say thank you.

**Here is what AAUW of Virginia branches can do** over the months leading up to the Session in January 2019 to direct the force for ratification of the ERA (it helps to have a "committee"; it also helps to have local partners):

- First round of post cards (beginning now): to your local state legislators (signed and with zip codes) - take or mail them to the local office of each legislator. Try to meet with your representatives. Use the attached "Talking Points."
- Second round of post cards (beginning in December/January): mail them to legislator's offices in Richmond.
- Write post cards at every Branch event. Host post card writing parties. Table at local venues - malls, fall festivals, on C/U partner campuses, local Farmers Markets, etc. **Tip:** ask for donations (.25 cents) for stamps.
- When you receive the link to the ERA Booklet:— download it and make copies available at every event - or ask for email addresses and forward the link; ask members to do the same and to forward the link to family and friends. Give copies to local legislators. Put copies in local libraries, schools and U/C locations. This is the grass roots efforts we need! Spread the word.
- . Hold discussion groups or take opportunities that present themselves to use the Talking Points (attached) to help educate members and your local community about the ERA -the true facts and the myths.
- . Hold private screenings or public showings of Iron Jawed Angels, Equal Means Equal, or Legalize Equality.
- . See this link: <https://varatifyera.org/toolkit/> for many more ideas about how to engage branch members.
- . See the link above for other ideas of how to educate persuasively your community about the ERA
- Pass a local resolution in favor of the ERA. Go to this site to see what's being done (and how to do it) and download a sample resolution: <https://varatifyera.org/toolkit/pass-a-local-resolution>.

## AAUW NORTHERN DISTRICT MEETING - 20 OCTOBER 2018

By Susan Werner

Elizabeth Hendrix and Susan Werner represented the Alexandria Branch at the 20 Oct meeting of the AAUW Northern District.

Kathleen MacLeod and Sara Anderson, the Northern District CO-Presidents, chaired the meeting and introduced the speakers.

The first speaker was Brian Cannon ([brian.cannon@OneVirginia2021.org](mailto:brian.cannon@OneVirginia2021.org)) who spoke about the importance of getting the OneVirginia initiative to end gerrymandering passed. Brian stressed that the initiative is non-partisan. The goal is to have the VA State legislature approve a referendum for the Nov 2020 ballot.

Sue Christie (McLean Branch) is heading up the Northern District effort to get the Start Smart/Work Smart tools into the hands of women in Virginia. Start Smart tools help college/university women graduates learn the skills to negotiate salaries and benefits on the same level as male graduates. Work Smart tools help women already in the work force in their negotiations. It is estimated that closing the pay gap for women would improve the economy by approximately \$500 billion.

The next speaker was Chioma Eni. Chioma gave a first hand account of negotiating salaries without and then with the skills provided by a Work Smart workshop. While the Work Smart workshop can now be taken on-line, Chioma talked about how useful it was to take the workshop in person where one can practice some of the skills in a face-to-face environment.

Business Meeting:

Caroline Pickens started the business portion of the meeting by talking about AAUW's Strategic Plan and its 4 pillars:

Education and Training (e.g. STEM and Title IX as well as grants and fellowships)

Economic Security - AAUW's first priority (e.g. Start Smart/Work Smart; retirement security)

Leadership - (e.g. more women in government and civilian leadership positions)

Governance and Sustainability - (e.g. best practices and finance)

Caroline talked about actions we can take such as advocating for equal pay legislation, mobilizing women, contributing to AAUW Funds. Caroline gave each Branch a copy of the new AAUW Funds form.

---

There are 5 categories:

AAUW Greatest Needs Fund

Education and Training Fund

Economic Security Fund

Leadership Fund

Governance and Sustainability Fund

There are several State Board positions opening up (VP Finance, VP Membership and Branch Development, and Recording Secretary)

There are several events coming up - see next Virginia Vision.

VA State Membership VP, Cyndi Shanahan, called out two Branches for their membership accomplishments: Alexandria for meeting the 90% or better membership renewal and new memberships and McLean for having the most membership.

Alexandria Branch Public Policy Chair Elizabeth Hendrix gave a short but to the point talk about the Human Trafficking initiative on which she is working. She is starting with research, and working towards awareness at big sporting events, where women are often trafficked, a state conference, and an app which women can put on their cell phones and use to call for help.

# What You May Have Missed in October

Rita Rutson, Eugenia Burkes, Ruth Burnett, Danielle Beach, Nancy Kula, Mary Ann Bier, Gail Kalin, Paula Massouh, Kathy Cosmas, Scott Campbell, and tour guide Dominic.

The Cultural Interest Group, lead by Paula Massouh, enjoyed a tour of the Patent & Trade Mark Museum for the October outing. Many examples of women scientists who led in their fields, reflected in the patents they were granted, were on display. The surprise of the tour was learning that Clara Barton was a pioneer in the fight for pay equality.

You probably know Clara Barton was a nurse during the Civil War and founded the Red Cross, but did you know before that she was a pioneer in the fight for equal pay for women? As the first woman to be a Patent Clerk, **she became the first female federal employee to be paid the same as the men doing the same job.**

*“I may sometimes be willing to TEACH for nothing, BUT if paid at all, I shall NEVER do a man’s work for LESS than a man’s pay.” Clara Barton*

## October 2018 Program Meeting - Domestic Violence & Guns

Kate Ranta and Gail Kalin

The monthly meeting was held on Sunday, October 7, 2018, in the Club House at Cameron Station. Survivor and member Kate Ranta shared the story of how her husband had shot her and her father, following years of abusive behavior and how all of society's "safety nets" - police, courts, social workers, etc., had failed her every step of

the way. Co-President Gail Kalin, who is a Licensed Clinical Psychologist, asked Kate questions and also explained the difference between sociopaths and psychopaths, how victims can be manipulated by their abusers, and what are some of the warning signs of an abusive relationship that friends and family can observe.

Before the discussion began, Kate shared a short video that shows her four year old son being interviewed by the police and some of the details at the scene of the crime. Here is the link: <https://vimeo.com/231148975>

## ALEXANDRIA SCHOOL BOARD FORUM September 29, 2018

The forum, sponsored by AAUW - Alexandria Branch, the League of Women Voters, and the Alexandria Library System was well attended with over 40 in the audience for each of the three sessions. Each district was given an hour for the candidates to present their positions and answer questions submitted by the audience.

Arrivals were greeted by two members of the LWV on the left and Susan Werner and Sylvia Linke on the left of our Branch. (Regrets for not obtaining the names of the LWV members.)

Another sign of success was the adding of two new members during the event.
